Goodbye to Duke

On July 29, 2009, The Foundation lost its mascot to bone cancer. Duke was a 7-1/2 year old Great Dane and was instrumental in promoting the Foundation. He was quite a character - posing for the camera and hogging all the attention. Pretending to be a lap dog was a hobby of his as he would plop his butt down in your lap and use you as his own personal chair!

He will be greatly missed and always treasured. For more pictures of Duke, go to the website and click on Web Changes.

We'll also be selling note cards for \$1.50 each, or 4 for \$5.00

Perfect for any animal lover

We also hope to be at George's Market on Sept. 19th to sell calendars

*Thank you to all our supporters who carry the calendars
and thanks to everyone who helps support these businesses!*
